**Bear:** So... what are you going to do now??

**Chris:** Well I just want to stay here... the view up here is AMAZING. I can see so much and so far. Whoa I can see my friends down there. I really wish they could be here too. Seriously, this view takes my breath away (deep inhale and exhale)...like actually take my breath away.

**Bear:** You might want to go down there to catch it!

**Chris and Bear:** *Awkward laughing.*

**Bear:** How did you know that I would be here?

**Chris:** The map said to look for a sign that said Psalm 16:11

**Bear:** Do you know what that means?

**Chris:** Nope! I was hoping you would tell me but you're also a bear I'm not so confident that you know.

**Bear:** Well, I actually do know what it means. Psalm 16:11 says "You make known to me the path of life, you will fill me with joy in your presence, with eternal pleasures at your right hand.

**Chris:** Wow, what does that mean for me?

**Bear:** (puts hand on Chris' shoulder) Just like this mountaintop, any major encounter with God fills us with joy and confidence and peace. Who wouldn't want that feeling to last forever? I

know you said you wanted to stay up her forever but seriously, you can't just stay up on a mountaintop experience... You know, in this map (bible) you have \*grabs map\* Jesus tells us that you have to go back down into the valley and tell your friends about what you found, so they can experience God through you. Just remember this mountaintop and it will give you all the motivation you need.

**Chris:** okay deal! \*handshake\* but first... what time is it???
